Bookings grew 38% in the third quarter

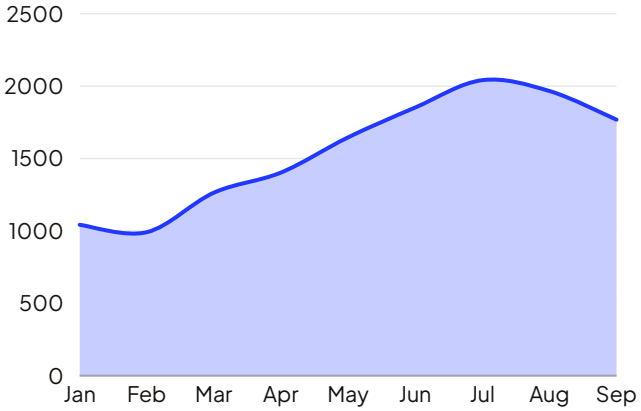

School trips returned in July and carried the quarter. Weekday charters, which had been the quiet part of the calendar, now fill four days in five, and the average booking is made eleven days earlier than a year ago.

The new minibuses arrived in August. They were booked within a week of being listed, mostly by companies moving staff between Bandung and the industrial estates to the east, a route no larger vehicle serves economically.

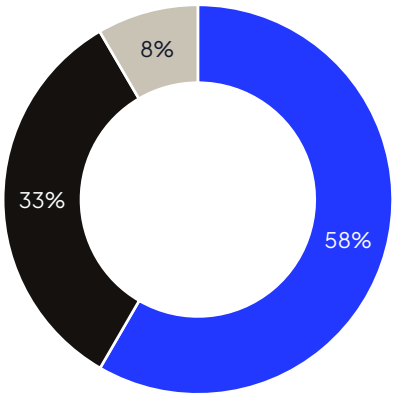

Bookings per month

Revenue, Rp million

By vehicle

Vehicle	Fleet	Trips	Occupancy
Bus, 45 seats	18	1,942	71%
Minibus, 16 seats	24	1,105	64%
Van, 7 seats	31	280	58%
All vehicles	73	3,327	66%
